Staffing update

Mrs M. Lord has decided to retire early. I would like to take this opportunity to thank her for her 20 years of service to Hawksworth C of E Primary School and especially highlight her significant contribution to the teaching of Music and Religious Education within school. "I have thoroughly enjoyed teaching the children at Hawksworth C of E School over the past twenty years and have also appreciated the support from parents/carers and staff." Mrs Lord

Easter Hat Competition

This week we had an array of beautiful, creative and colourful Easter Hats on display in the school hall. The hats were designed and made by the children from all four classes. Miss Hewitt was given the unenviable task of selecting a winning design from each year group and the identities of the hat designers were not divulged to her until after she had selected the winning entries! Below are the names of the seven successful hat designers and photos of their winning designs. I have also included a few more photos of the other entries and I have uploaded all entries to the gallery on the school website.

The Winning designers:

Reception – Holly.D

Year 1 – Isla. C

Year 2 – Isabelle. C

Year 3 – Scarlett. L-K

Year 4 – Esme. S

Year 5 – Olivia. P

Year 6 – Joseph. M

March 100% Attendance

As agreed with the other schools within the Aireborough Learning Partnership Trust, this Monday was the cut off point for the 100% attendance award. This was to allow the printers sufficient time to print the certificates and for schools to collate the data. Hawksworth have 74 children who will receive a 100% attendance certificate and be eligible to be entered into the draw. The winners will be announced following the Easter holidays.

Jumper

Joey Wragg in Class 2 is trying to locate his school sweatshirt. It is labelled with his name so please check your child's sweatshirt just in case they have picked up Joey's.

Easter Bake

It was very pleasing to see so many children, parents and grandparents attend the Easter Bake! Many cakes, buns, biscuits and cups of coffees/teas were bought and all the money raised will help to fund future development of the school grounds, enable the children to have access to unique educational experiences and the purchase of resources we would not normally be able to buy with our designated school budget. I would like to thank Mrs Lobley- Knight and all the members of the Friends of Hawksworth for helping to organise this event, for serving at the cake stall and for manning the tea/coffee counter.....and to everyone who bought a cake and liquid refreshment.

Parking

Please can I remind parents not to park across the access road adjacent to Vale Forge. A villager was unable to exit the road yesterday.

Kestrels Before and After School Club

Q. What do you get if you pour hot water down a rabbit hole?

A. Hot crossbunnies

It's been a cracking week in Kestrels. The children have had a Easter hunt around the school grounds, we have decorated eggs using tissue paper and coloured straw. All the children took an Easter basket home filled with chocolate eggs.
