Staffing

On Wednesday evening we had our 'New Parents' Evening' for the parents of children who will be starting in Reception (Class 1) next year. The evening was a great opportunity to welcome our new parents and for them to meet Governors, staff, receive key information and to find out what life is like at Hawksworth. One piece of information they received was the organisation of teaching staff for Class 1.

I am now able to inform all parents about the staffing organisation for the 2018/19 academic year. As you can see below the Governors and I are continuing in our strong belief that is important to maintain the same teaching support hours and numbers of support staff within school.

Kestrels

Kestrels Before and After School Club is a key element within the provision we offer to parents and children. When parents request a tour of Hawksworth prior to them selecting a school for their child, they always want to know if we can provide wrap-around care. Obviously, the answer is always yes and the Governors and I are very proud how Kestrels, our Before and After School, has evolved since it was established just over 3 years ago and the work of Mrs Tempest and Miss Hewitt.

Mrs Tempest, Leader of Kestrels, has introduced many changes and initiatives over the years to aid the development of the club; from introducing healthy snacks and meals to introducing a greater range of activities and resources. To continue to improve the club, Mrs Tempest met with Mrs Cameron (Vice-Chair of The Governors) and I to discuss her future plans for the Club and we were both very impressed with her ideas and the direction she wishes to take the club. To help and support her in this Mrs Tempest will send out very soon a questionnaire to parents of children who use Kestrels for their views on how we can further enhance our before and after school club provision.

Football

Well done to our KS2 Girls football team who participated in Monday's 5-a-side football tournament at Pool-in-Wharfedale. Mr Roche informed me the girls all played with great enthusiasm, skill and determination. They only lost one match and achieved draws in their other matches. Well done girls and thank you to Mr Roche and Miss Moir for giving up their free time to attend and coach the team. Thank you to Mr Bellamy for taking photos and I will upload them to the website over the weekend.

Today will be the Y6 boys turn to compete in their 5-a-side tournament at Pool.....fingers crossed they may return with a trophy!

Skipping

Congratulations to Class 2 who performed brilliantly at the Wednesday Skipping Final. Hawksworth received three Golds and a Bronze. When I receive the photos I will upload them to the school website.

Speed Boys – Reece Thompson – Gold
Side Swing Boys – Isaac Cyprien – Gold
Run Jump Out – Bronze
Keep the Pot Boiling - Gold

Sports Day

Sports Day 1.15pm

Kestrels

Q. What did the daddy tomato say to the baby tomato?

A. Catch up!

The children in Kestrels have been busy making crafts for Father's Day. We have used a paper plate which the children coloured in, then used a template of a saw to make a fab wall hanger saying "Best dad I ever saw". We have also made tie cards which the children decorated and door hangers saying "Dad's day off".
