Learning through Love, Fun and Faith

17.1.20

## Star Pupils

Congratulations to our Star Pupils this week! All chosen by their class teachers:

### Class 1

Rufus M for growing in confidence with his writing and trying so hard.  
Henry C for some great work using pyramid addition.

### Class 2

Kingsley M for fantastic imaginative ideas in his Dick Whittington story.  
Oscar P for showing great musicality during our Music curriculum day.

### Class 3

Pippa L for being helpful in class and always being on task.  
Leo D for excellent scientific knowledge and written work.

### Class 4

Ryan A for showing a good understanding in Maths.  
Noah B for showing high standards all week.

## Class News

### Class 1

Class One enjoyed our stay and play session on Wednesday morning, thank you to all the parents and carers who came, the children thoroughly enjoyed showing you around their class. Reception have been working on symmetry this week and have worked so well using the mirrors, creating their own symmetry and matching symmetry. Year 1 have done lots of variations of addition and we learnt how to use pyramid addition, Mrs Metcalfe was very impressed with us all as it was really tricky! Year 1 have written letters to the Queen inviting her to afternoon tea with us, we really hope she's not too busy to join us! Reception have written some postcards telling us where they have visited in London. We have really enjoyed our music curriculum day and have some wonderful homemade instruments to bring home this evening.

Miss Hewitt escapes from the office

Baking with Daddy!

Mrs Metcalfe and a new class member!

The reading den!

## Class 2

Class 2 have had another busy week. In Literacy, we have written our own version of the story of Dick Whittington. We have written this over the course of a week, thinking about including lots of detail by adding noun phrases, conjunctions and thoughts and feelings. Mrs Oliver was very impressed with our efforts and the amount of writing we produced. Some people even wrote 2 or 3 pages!! In Maths, we have started to work out division calculations which we will continue to practice next week. On Friday, we had a fantastic Music curriculum day which included a workshop with a folk band called Maia. It was a fantastic day which we all thoroughly enjoyed. *Mrs S. Oliver*

## Class 3

This week in Class 3 we have continued excellent work on descriptive writing using our senses to create suspense and grammatical features such as similes, Power of 3 and suspense time connectives. In Maths this week we have been learning about doubling and halving both even and odd numbers using the partitioning method. In Science we have begun our exciting 'Shadow Movie' project in which we are creating the first few scenes from our book 'Escape from Pompeii' telling the story using our own shadow puppets and manipulating light for effect. In this project we will also compose music to go with our movie and a narrator will read our descriptive writing piece to tell the story. In our topic this week we have learnt all about parts of the Volcano and the function of each part. We have continued to work on inference and literal information in Guided reading and how authors show emotion through their writing. *Mrs S. Dereix*

## Class 4

This week Class 4 have used the BODMAS rule to investigate how the placement of brackets at various places of a calculation can change the answer; we have also solved word problems requiring multiple steps. We began our new book 'Oranges in No Man's Land' for Literacy and developed our knowledge of some of the difficulties faced in Lebanon. In Science we created a variety of different circuits and investigated which ones would provide the duller and brightest light. Friday was an exciting change to the timetable with our Music Curriculum Day. The children really enjoyed all the activities and showed off their musical talents!

*Mr P. McGuire*

## Kestrels Before and After School Club News

**Q:** How does a cow do maths?

**A:** With a cow-culator!

We have continued our Winter theme this week and the children have been busy making snowmen using a variety of 2d shapes, completing dot to dot pictures and hunting out winter words in our winter word search. We have all enjoyed making bird feeders. We heated up lard and added bird seed which the children enjoyed watching me pour carefully into the yoghurt pots, we have been saving, before leaving them to set. We are looking forward to bringing these home to place in our gardens. The children have been writing fairy tales and have worked together well sharing ideas. Their stories have been well written, funny and imaginative. I have really enjoyed reading them, well done! *Mrs Lister*

## Kestrels News 2

As Miss J. Hewitt, takes on more responsibility and hours within the school office it was always planned to reduce her hours in Kestrels, Before and After School Club.

I am pleased to inform parents Ms M. Mangeolles will be joining the Kestrels staff full-time on Monday and will be working mornings and afternoons. Both Mrs Lister and I believe Ms M Mangeolles will be an excellent addition to the Kestrels staff.

Miss J. Hewitt will only work at Kestrels on Tuesday and Thursday afternoons.

## House Points and School Attendance (School target set by Leeds is 97%)

House	Total
Eagles	79
Falcons	74
Vultures	86
Condors	76

Class	%
Class 1	94.44
Class 2	98.77
Class 3	97.64
Class 4	93.83

### What an achievement!

Every member of the Stoney family are involved in sport and Esme has recently added to the family's very large trophy and medal cabinet. Below is a photograph of Esme proudly wearing her twelve medals...yes twelve medals! Each medal represents 20 miles Esme has run each month of 2019. This is great achievement and we are all very proud of her – well done Esme! (Fortunately, Esme did not strain any neck muscles during the photo shoot!)

### Music Day

Today the children have really enjoyed a fantastic musical day organised by Mrs Metcalfe, our Subject Lead for Music. She invited 'Maia', a four piece band, to play live music and to work with each class during our Musical curriculum day. I must say I was very impressed with the band's performances and how they had all the children dancing. The children also did sessions on Body Percussion, learning and performing a song, making instruments and composing music; these sessions were led by our own talented and musical teachers. Again, thank you Mrs Metcalfe for doing a great job organising and leading this day –well done!

## Safeguarding

The following message was emailed out to all local schools and I shared this information yesterday through our school app.

Reporting school	St Mary's Catholic Academy Menston
Date and time of incident	Thursday 16.01.20 at 10.30am
Date and time Children's Services notified	Thursday 16.01.20 at 11.45am
Location of incident	Station Road, Menston
Brief description of incident	6 <sup>th</sup> form student going to school at 10.30 for exams, approached by a man in a car asking the way to the petrol station. Man asked the student to get in the car to show him where the petrol station was, when the student said no the man became aggressive.
Description of person or vehicle	Asian man around 20s in a red car

## School Calendar 2020-2021

This calendar has already been sent out to all parents, but can I point out the 5 training days still need to be ratified by Hawsworth's full governing body. When these dates have been discussed and allocated, I will release the dates to parents.

### School calendar academic year 2020-2021

Holiday	Schools close			Schools open

August	30	August	2021

## Community News

As a school we always pass on information to parents of extra-curricular activities which are run by recommended and reputable organisations which can give your child any opportunity to develop their talents. Below is a flyer advertising one of these opportunities. As school we gain no monetary incentive in promoting these organisations but do so to provide our children an awareness of local clubs or events that have been recommended to us by other local schools. (Vibe Performing Arts Academy have raised over £1500 for charity with their shows) **FREE taster class on Friday 24th January. To reserve your place email: [info@vibeperformingarts.co.uk](mailto:info@vibeperformingarts.co.uk) Tel: 07701 033 877**

## Step Up To The Plate

**Step Up To The Plate is back!**

Hit CBBC show **Step Up To The Plate** is back and **you** could join Fred and Allegra in running your own restaurant.

We are looking for kids in **years 5 – 9** to join the Restaurant Crew and come up with the restaurant theme and décor, customise the look of the menu, welcome and serve guests as well as dealing with customer complaints: if selected you will be mentored and judged by *First Dates* star and Maitre D' **Fred Sirieix**.

Or maybe joining the Kitchen Crew is more your thing? You will be tasked with creating a delicious menu and cooking to a high standard for multiple guests: if selected you will be mentored and judged by celebrity chef **Allegra McEvedy**.

If you think you have what it takes to make it in the high pressure world of a real restaurant, then we want to hear from you. To apply please fill out the attached application form with your parent or guardian and have them send it to this address:  
[stepuptotheplate@liontv.co.uk](mailto:stepuptotheplate@liontv.co.uk)

**YOU MUST HAVE PERMISSION FROM A PARENT OR LEGAL GUARDIAN TO APPLY**

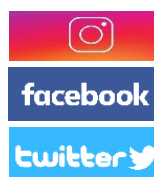

Apply ASAP!  
 Application Deadline: February 7<sup>th</sup> 2020
