

Are you a Key Worker?

THIS IS FOR ALL PARENTS & CARERS TO COMPLETE AND RETURN BY 9am ON FRIDAY 20th MARCH 2020.

School is urgently trying to collate information to allow us to plan for the provision of education for the children of key workers in the coming weeks and months.

The Government has issued guidance on the definition of who a 'key worker' is. Please note that we will ask for proof of all this to effectively deploy the staff we have available to us and to ensure that we do not ask our own staff to make difficult choices for themselves and their families unnecessarily.

Thank you again for your continued support.
