

Inter-House Tournament

Hawksworth CE Primary is looking forward to hosting an Inter-House tournament on **Monday 14th December 2020**.

As Covid-19 has placed a sabbatical on sporting competition thus far, the children will compete against their classmates based on the sport they have been developing their physical literacy skills through this term:

Class 1 – Multi-skills

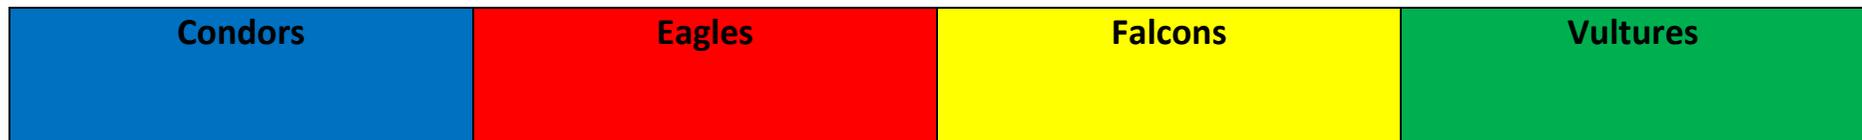

Class 2 – Hockey

Class 3 – Netball

Class 4 – Handball

Please can your child come to school in a t-shirt or sweatshirt representing the **colour of their school House** (do not worry if this is not possible, as bibs will be provided for those unable to do so).

House colours:

The winners will be the House that accumulates the highest total of points from all four classes. Good luck everyone!
