Learning through Love, Fun and Faith

22.10.21

Star pupils

Class 1	Martha H for trying so hard with all her learning and being a superstar with her phonics.
Class 1	Hannah M for her wonderful piano playing in her piano lesson this week, what a superstar you are.
Class 2	Filip has worked really hard this week, he has shown himself to be an excellent role model to the class. He is a wonderful team player, always at the ready to help his peers when they are unsure about a task.
Class 2	Max's enthusiasm towards learning and reading this week has been a joy. He has produced some beautiful work in literacy around our topic, The Great Fire of London, and always puts his hand up to read the text to his classmates.
Class 4	Addie - for being an excellent example and making great contributions in class discussions.
Class 4	Fletcher - for trying really hard on his report writing in literacy.

House points

Attendance (Leeds Target 97%)

House	Points	Class	%
Eagles	32	Class 1	88.11%
Falcons	28	Class 2	86.47%
Vultures	24	Class 3	81.85%
Condors	29	Class 4	81.75%

Class news

Class 1

We had a lovely walk to Hawksworth woods on Wednesday. We explored all the Autumn changes and used our senses to help. We did some tree rubbings and collected things to bring back to school to sort into colours. We finished off our walk with hot chocolate and biscuits sat up on the Odda hill in the rain! It was great fun and we got super soggy walking back to school.

We have all worked so hard this half term and we are all so impressed with how all the Reception children have settled into school life and how Year 1 have really grown up and are eager to learn. They all deserve a well-deserved rest, ready for another fun filled half term leading up to Christmas.

Please keep reading with your child throughout half term, complete the phonics homework in your folder and practise those tricky words. Year 1 please practise for your spelling quiz too.

Have a wonderful half term.

Mrs Malin, Mrs Metcalfe, Mrs Williamson and Miss Ainsworth

Class 2

In Class 2 the children continued their maths work with a focus on number bonds and addition/subtraction. In literacy we revisited our brilliant bread making session from last week and the children learnt how to include time conjunctions in the 'instructions' they were writing. In science we delved deeper into the properties of different materials, using a wide range of adjectives to describe them. In RE we had a wonderful time recreating God's creation of the world through art. *Mrs Vice, Miss Armitage and Miss Ward*

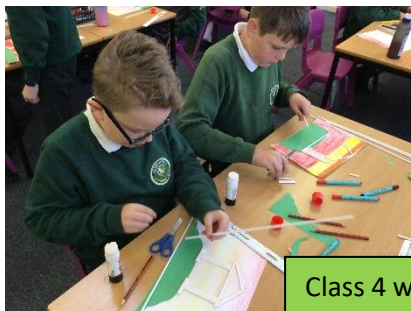

God's creation of the world

Class 4

This week in Class 4, we have been using the internet to research Ancient Greek mythical creatures and have started to create our own fact books as part of our literacy. In maths we have been working on multiples of 10, 100, 1000 and have used these skills to solve a mystery. We finished our mosaics on Monday and created Greek temple pictures using art-straws. For RE we discussed issues going on in the world right now and considered what messages a 21st century messiah might have for us. *Miss Wicks and Mrs Gallagher*

Class 4 working in class

Kestrels

This week in Kestrels we have had lots of fun! We have made some fantastic models with our construction toys and the children enjoyed making chocolate apples and chocolate sparklers. They have also made the most of the weather and had a game of dodge ball and football. *Miss Hewitt*

Father D Pickett MBE

Term ends indefinite

I was born into a mining family in South Wales, but decided not to make a life in coal, instead joining the Royal Air Force in 1987. Over the next 23 years I saw service in Northern Ireland, Afghanistan, Iraq, Saudi Arabia, Germany and Cyprus, not to mention many other stations within the UK.

In 2010 I left the Royal Air Force to train as a priest at the College of the Resurrection, Mirfield, West Yorkshire. I was ordained in 2011 and served my curacy in the Diocese of Lincoln. In 2014 I was offered the role of Rector to Guiseley with Esholt, which I accepted immediately. As well as acting as rector to two churches I am also chaplain to Hawksworth CofE Primary School, St Oswald's CofE Junior School, the Guiseley branch of The Royal British Legion, and recently, Guiseley AFC.

I have been married to Sarah for 21 years and we have five young children. When not enjoying the fun of family life I am a passionate sportsman, reader and cultivator of Bonsai trees. I am also studying for an MA in Liturgical Studies at the University of Sheffield.

Having lived in Yorkshire twice before, I feel very blessed to be part of this community and especially this wonderful school. I look forward to sharing in its bright future, whilst helping assist its spiritual growth.

Mrs J Archdale

Term ends 25/09/2022

Guiseley with Esholt PCC elected me onto the Governing Body of Hawksworth CE Primary School in 2011 and I was re-elected for a further term in 2014. I am presently Chair of the Teaching and Learning Committee and also on the Finance, Pay and Head Teacher's Performance Management Committees.

I have lived in the local area for 40 years with my husband. I regularly attend the two churches in the parish – St Oswald's in Guiseley and St Paul's in Esholt. I am a member of the Mothers' Union, currently Minutes Secretary on the committee, and am also part of the 'Open the Book' team which goes into Hawksworth School fortnightly to lead Collective Worship.

I have an interest in education generally being a retired teacher. During my career I taught in both Primary and Special schools for over 30 years. My daughter, who was educated at Hawksworth School during the 1990s, is now a teacher herself in another local Primary school.

I consider it a privilege to be a member of the 'Hawksworth family' through my role as Governor and enjoy all my involvement with the happy, friendly and successful school.

Save the date!
