Since January 2014, The Hawsworth Herald, has been emailed every week to parents on a Friday afternoon but for this week only it has gone out a day early!

## Summer Fair

Friends of Hawsworth are pleading for parents to sign up to help with the Summer Fair. At the moment there are not enough volunteers so it may lead to the PTA cancelling the 'Circus' themed Summer Fair. The sign-up sheet is on the staffroom window.

## Class 2 visit

Mrs H. Dillon, a moderator from Leeds City Council, made a visit to Class 2 and spent approximately three hours interviewing Mrs Oliver, observing her class in action and scrutinising the class books. The purpose of this visit was to ensure and check our Year 2 teacher assessment is in line with National and Leeds guidelines. I was very pleased with the very positive feedback we received! Mrs Oliver was informed we were the only school out of Mrs Dillon's sample of schools not to have to change any of our accurate teacher assessments and she was very impressed with the very high standard of work completed by the children. Our recent moderation visits to Class 1 and Class 2 have highlighted staff in both classes are providing a good quality of provision for their pupils.

## Football

I know everyone has been looking forward to watching the football today and it is not surprising with such a talented team and two knowledgeable coaches. It will be hard for the team playing in such high temperatures but everyone is expecting so much from this young team.....so good luck to the KS2 Girls Football Team who will be playing today in the ALPT Football Tournament, Yeadon. Can I also thank Mr Roche and Mr McGuire for giving up their free time to attend this tournament.

The Team: Lois. T, Esme. S, Olivia. D, Lola. B.A., Lola M (Capt) and Niamh Loftus.

## Tesco Uniform

For those parents who tried to purchase school uniform today from Tesco direct may have noticed this message, 'We're sorry...Your refinements did not match any products. Please refine your selection'. We have been informed by Tesco this is a technical issue on their website and it should be rectified very soon.

## Kestrels

Q. Why did the child study in the Aeroplane?

A. He wanted a higher education.

The children have been making lots of objects that fly. We have had some fabulous egg cup helicopters and planes complete with passengers. The children have also made hot air balloons made from water bottles, string and cupcake liners. There has been some brilliant flying birds which the children decorated and enjoyed seeing how far they flew outside.
